

CUSTOMER CARE – Love It or It's Free

Name	Phone #	#1 week call	#2 week call	#3 week call	#4 week call	#5 month call	#6 month call	#7 month call

Call Customers once a week for a month to help answer any questions – auto ship – changes to order; or even mixing the product. The product is 100% satisfaction guaranteed. They have a month to love it for full refund. After the 4 calls, communication once a month is preferable and essential: phone calls, emails or even texts. Always ask the new customer how they wish to be contacted.
